

- ¹ Phenethylamines arrests are not provided in this figure separately, as not all jurisdictions differentiate between records connected with amphetamine-type stimulants and phenethylamines. Cannabis arrests are not provided in this figure as the elevated numbers would inhibit identifying trends in the other drugs.
- ² Australian Federal Police Joint Media Release 2003, *Joint Agency seizes 90kg of 'ice'*, 19 May 2003.
- ³ Where the weight of a detection was not available, an estimate of 0.29gm per tablet has been used. This is based on an average weight of tablets seized.
